

## Have Confidence within Yourself

Have Confidence within Yourself presents a collection of poems written to motivate and inspire people who have given up their dreams. Author Stephanie Woolard feels that we each have the ability to achieve success through hard work and believing in ourselves. She expresses her thoughts and emotions about life's ups and downs in her verse. She believes that God didn't give us the spirit of fear, but instead gave us the spirit of power and love, along with a sound mind so that we may find our true path in life. Once we discover our true selves and have the confidence within ourselves to achieve our goals, we can achieve true success in life. Has God Ever Promised You Something Whenever a storm comes in your life, don't give it death, but give it life. God's promise should always stay with you no matter what you are going through. The test may seem long, but if you hold on, God will bless with the love that belongs.
