

10 Things You HAVE to Have to Succeed in Life and Business

Steve Kidd, 3rd generation minister, 40 year sales veteran, nearly 20 year internet consultant and business coach, wants to share with you the basic life and business action and attitudes you need if you want your goal or your business to be a success! 10 Things You HAVE to Have to Succeed in Life and Business is a practical guide born out of real world business experience.

After working online since Well before the internet was the internet, There are a few things he has found you MUST have in order for any business to survive or goal to be achieved. But not only just be survival mode, but to have a business, a life, that is THRIVING! Steve has worked with people and has been self-employed all of his life. Having been blessed to work with and learn from both successful millionaire entrepreneurs and sales people as well as some of the leading experts on life skills, Steve breaks down some of the most difficult and challenging life concepts, into simple to follow and easy to understand processes that anyone can follow. Of the things you can do and all the things I have seen done, this is not a wishful thinking list but a practical top 10 list of things you must do to not just have a business, not to not just make it, or to just have a go at it but to truly have discover the secrets to success. Goals are hard, life can be challenging. Being in business alone can be one of the hardest things you will ever attempt. 10 Things You HAVE to Have to Succeed in Life and Business can help you build from the ground up. This is life and business advice, not in a condemning or preachy way, but based on solid principles used by millionaires every day. These are the 10 most foundational elements every person must continue to develop throughout the course of their entire life. Though this book is written predominately from business experience any goal you want to accomplish must have these fundamental life skills in place. This book

was created not only from my experience but from the observation of other internet businesses as well. Filled with quotes from great men and women both living and dead as well as practical advice on how to set yourself up so you are ready and able to run a successful business, but even more importantly have a successful life. The book contains insight into: Finding your passion, Setting goals and how to achieve them, Not sacrificing yourself or your family for your business, Creating a schedule for your business, How to can make the right company policies right from the start, Ways to grow personally as your business grows, Successful use of Web 2.0 and social media, AND MUCH, MUCH MORE 10 Things You HAVE to Have to Succeed in Life and Business is here to serve you. To help you improve yourself to be the best you that you can be. By bringing out the best in you, you will live your best life, you will have a life that thrives and succeeds, you will meet and exceed your goals, and most importantly you will be a blessing to everyone you come in contact with.
