

Greed: A Love Story

IN THIS ACTION-PACKED THRILLER, GREED BRINGS ABOUT UNKNOWABLE EVIL AND HORRIFYING REVENGE-YET WHEN ALL SEEMS LOST, ONE MAN IS GIVEN A FINAL CHANCE AT REDEMPTION. A decade has passed since Dan and Keely Castle, worn from the pressure of scheduled lives, decided to jettison their corporate careers, purchase a cattle ranch in northern Arizona, and nearly empty their bank account to convert the property into an intimate guest ranch. As they go about their daily lives, ensuring their guests enjoy themselves, Dan and Keely have no idea their idyllic existence is about to be shattered. When the couple accidentally discovers a treasure while hiking deep within the mountains, Keely wants to investigate its origin. Dan is only curious about its value. As they unearth bag after bag of government gold, possibly worth millions, Dan believes he and Keely are about to become very wealthy. Instead, his life goes wildly awry, and unforeseeable events brand him a murderer in the eyes of the law. After the ranch is lost and his wife is kidnapped, Dan embarks on a dangerous journey into the mountains to confront his adversaries, his only resources a clever burro, a flashlight, and two single-shot, black-powder rifles.
