

Saved and Sanctified

Our beloved Lord longs for us to draw near to him as he draws near to us. Have you ever wondered what a number of years of doing just that might look like? In *Saved and Sanctified* Lois takes you on that journey. This volume will walk you through the entire New Testament with poetry to challenge, inspire, and delight you as you draw near to the Lord. *Saved and Sanctified* details the actions of a God whose love is evident throughout history. Written by Lois in her quiet times with the Lord, these poems will inspire your own heart to discover nuggets of truth for reflection and growth.
