

Spotted Lily

Angela Pendergast, escapee from the Australian bush, grew up with the smell of hot mutton fat in her hair, the thought of her teeth crunching a cold Tim Tam chocolate biscuit-the height of decadent frivolity. Now, though her tastes have grown and she knows absolutely what she wants, her life is embarrassingly stuck. So when the Devil drops into her bedroom in her sharehouse in inner-city Sydney with a contract in hand, she signs. Hes got only a Hells week to fulfil his side, but in the meantime he must chaperone her-or is it the other way around?
