They snuck inta our bank vault there in Santa Fe n emptied it quick as a wink on us. That threw us inta a panic. We knew we had t get the rest of our treasures hid before they could find them. We was usin ever trick we could think of on em but they was movin ahead n takin over ever criminal activity they could. They had Boston under their thumb n was workin on Chicago with New York city next in their sights. We got Jack n Colombo powered up with our powers t give us a hand n them durn Revengers started powerin up some of their hooligans. Things was developin fast n furious Ill tell ya.
