

A Gathering of Old Men (Vintage Contemporaries)

Set on a Louisiana sugarcane plantation in the 1970s, *A Gathering of Old Men* is a powerful depiction of racial tensions arising over the death of a Cajun farmer at the hands of a black man. Poignant, powerful, earthy...a novel of Southern racial confrontation in which a group of elderly black men band together against whites who seek vengeance for the murder of one of their own.-- Booklist A fine novel...there is a denouement that will shock and move readers as much as it does the characters.-- Philadelphia Inquirer
