

A Chaplains Book of Poems # 3

This book of poems is my third edition. Writing poems is a newer gift to me from God. I wrote my first poem February 28, 2012. This new book actually exceeded even my expectations. My first book contained approximately 75 God-inspired poems. This latest book has approximately 150 God-inspired poems. It seemed daily that I would be inspired to write a poem or, sometimes, two or three. Sometimes watching a church program on TV would suddenly give me this incredible inspiration to write. Each poem was a very special inspiration for that day. I never really had no knowledge of the subject or focus of the poem in advance. It was actually exciting to generate a poem as the words came to me supernaturally. It seemed that there was a poem for just about any problem or situation. Some of the poems, I admit, I really didnt want to write because they were so controversial. These poems are now read all over the world, and I receive emails daily from about forty countries. I thank God that this little ministry is now reaching thousands and proclaiming the truth of the gospel in poetry.
