

A First Fleet Family: A Hitherto Unpublished Narrative of Certain Remarkable Adventures Compiled From the Papers of Sergeant William Dew of the Marines (Classic Reprint)

Excerpt from A First Fleet Family: A Hitherto Unpublished Narrative of Certain Remarkable Adventures Compiled From the Papers of Sergeant William Dew of the Marines The Editors of this narrative, some months since, received from Mr W. J. Dew the journals of his grandfather, Sergeant Dew, with the request that if they were likely to be of interest to the public, the Editors would put them into the form of a book and have them published. The papers were submitted to the Editors, whose names appear with this work, on the ground that one of them is a personal friend of the present Dew family, and both of them are well acquainted with the localities and the events referred to by the Sergeant.
