

## A Grown-Up Kind of Pretty: A Novel

A GROWN-UP KIND OF PRETTY is a powerful saga of three generations of women, plagued by hardships and torn by a devastating secret, yet inextricably joined by the bonds of family. Fifteen-year-old Mosey Slocumb-spirited, sassy, and on the cusp of womanhood-is shaken when a small grave is unearthed in the backyard, and determined to figure out why its there. Liza, her stroke-ravaged mother, is haunted by choices she made as a teenager. But it is Jenny, Moseys strong and big-hearted grandmother, whose maternal love braids together the strands of the womens shared past--and who will stop at nothing to defend their future.
