

Odes from a Cluttered Mind Vol. II (Volume 2)

Within is a collaboration of serious, spiritual, humorous, cute, thought-provoking selections that, because they have a tendency to rhyme, are classified as odes. Subject matter covers friendship, love, romance, death, relationships, pets, and life. Most have a bit of a twist at the end-thanks to years of admiring Alfred Hitchcock and Rod Serling, and then because Im a comic, I have to make you laugh or at least smile, and because Im philosophical, I have to make you think.
