

The Castle of Tynemouth: A Tale.

First published in 1806 Jane Harveys The Castle of Tynemouth is the harrowing tale of the beautiful Lady Rossetta de Norton who suffers at the hands of her evil step-mother Lady Wooler, the lecherous OBryen and the manipulative Major Shipperdson. But beneath the castle in the dark winding caverns a secret lies buried that will either set Rossetta free or condemn her to a living hell.
