

## Rumi: Illustrated Edition

Jalaluddin Rumi, the great Sufi poet and mystic born in 1204, believed that if we surrender ourselves to the power of love, it is possible to live in a state of infinite bliss. This collection features poems from the Divan to Shams-e Tabriz, odes to the inspirational and mysterious figure who changed Rumi's life and led him to spiritual enlightenment; from the Rubaiyat, which are brief lyric pieces of a set form; and from the Mathnawi-e Nanavi, the Poem of Inner Meanings, which, through its esoteric teachings, offers moral and spiritual knowledge. Rafiq Abdulla captures the energy and power of the original. Each page is illustrated with miniatures and decorations from Islamic manuscripts, including ancient Mathnavis.
