

## Time 4 Justice

John is a pillar of the community, a judge in small-town America who grieves over all the injustice he sees in the world. After making a disastrous error of judgement, he is contacted by someone calling himself Charlie who offers to help with everything. Together they set about righting wrongs across the planet and beyond. Together they battle criminal gangs, Colombian drug cartels, Somali pirates, and Eastern European dictators, using Charlies special powers to bring hope and a better life to poor people everywhere.
