

## Puzzle (Spanish Edition)

Apreciada senorita Miralles: Por la presente, lamentamos comunicarle el fallecimiento de su padre. Una unica frase vuelve a trastocar la vida de la joven Julia. Su padre, el ser que mas odiaba en el mundo por considerarle el responsable de la muerte de su madre, ha fallecido inesperadamente dejandola huerfana. A pesar de que Julia no mantenía ningun tipo de relacion con el desde hacia dos años, decide asistir al funeral atacada por las dudas y el arrepentimiento de no haber hecho lo suficiente para averiguar que llevo a su progenitor, Alfred Miralles, uno de los abogados mas prestigiosos y acaudalados de la Ciudad Condal, a destruir su hogar. Lo que Julia no sabe en ese momento, es que escapar con vida del tanatorio sera el menor de sus problemas. Un sinfin de situaciones limite arrastran a nuestra protagonista al borde de la vida y la muerte, en una lucha encarnizada por sobrevivir y en una necesidad cada vez mayor de descubrir que recondito secreto se oculta tras la familia Miralles.
