# Time Cursor

Jack Augur comes back from thirty years in the future to stop his own wedding. Although he was warned not to tamper with any other events, within minutes of meeting his younger self, he is responsible for the accidental death of the man who is to go on to invent the time machine. As they struggle together to undo the damage theyve done and get the world back on track, mysterious beings thwart their every attempt. John David Krygelskis second novel - Time Cursor is a roller-coaster ride of suspense, action and intrigue with an ending that will not disappoint.
