

Abused, Confused, Misused: A Women saved by the grace of God becomes a conqueror

In her heartfelt memoir, Tracy Ann Kemp shares how the love of God enabled her to triumph over seemingly insurmountable challenges to become a successful business owner, a mother of two vibrant and happy teenagers, a minister's wife, and a woman at peace. Kemp's painful past includes childhood rejection by her mother, relentless teasing by her peers, domestic violence, two failed marriages, and financial hardship as a single parent. Not surprisingly, hers was a lengthy battle for self-esteem. But with faith, Kemp has discovered firsthand that all trials are temporary, renewal can happen, and greatness begins within. Candid and insightful, Kemp tells her deeply personal story so that other women can also learn how to love when they haven't been loved, realize God's plan for themselves and achieve their purpose, envision a better future, and summon the strength and confidence to find their way to freedom, healing, and happiness. The book concludes with ten steps to overcoming low self-esteem, profiles of abuse and how to recognize and overcome it, and inspiring and uplifting scriptures. A powerful testament to love, faith, and forgiveness, Kemp's story proves what's possible when you trust God to bless you.
