

The Frozen Pirate, Vol. 2 of 2 (Classic Reprint)

Excerpt from The Frozen Pirate, Vol. 2 of 2
That night, as afterwards, Tassard occupied the berth that he was used to sleep in before he was frozen. Although I had not then the least fear that he would attempt any malignant tricks with me whilst we remained in this posture, the feeling that he lay in the berth next but one to mine made me uneasy in spite of my reasoning; and I was so nervous as to silently shoot a great iron bolt, so that it would have been impossible to enter without beating the door in. In sober truth, the sight of the treasure had put a sort of fever into my imagination, of the heat and effects of which I was not completely sensible until I was alone in my cabin and swinging in the darkness.
