

The Secret Key Series (BDSM, BBW, Paranormal, Cheating wives, Werewolf, Romance, Erotika)

Three great books for one great price. The Warrior When plus-size beauty Mrs. Pamela Armentrout assigns her students a fantasy story, she has no idea that she will soon be in a fantasy of her own! With her husband away she follows some strange directions and soon has a half naked Native American Warrior standing in her guest bedroom. The Rush Having tasted the potential, she's desperate to find out what else this secret key can bring her. With no time to spare and lusty thoughts wracking her mind she recklessly brings a werewolf into her home. Though she is in danger, Pam can't help but throw herself into his violent body. The Submission Soon, Pam is swept into depravity as the power of the key consumes her and compels her. Having decided what to do with her worthless husband, Pam sets off down a road from which there is no return. Along the way, she finds a new gentleman, and this one wants to take her as his sex slave! NOTICE: This erotic story contains a curvaceous plus-size schoolteacher who cheats on her lousy husband by having rounds of blistering hot sex in her unused guest bedroom with anyone (or anything) she wants. This includes intense oral sessions, vivid descriptions of hot bodies, and mind blowing orgasms. It also includes intense sequences of violence including bondage and murder. This story is intended for mature audiences only.
