

## Germaine (French Edition)

Extrait : L'assemblée se recria sur la naïveté du bonhomme qui enterrait ses écus tout vifs, au lieu de les faire travailler. Quinze ou seize exclamations selevèrent en même temps. Chacun dit son mot, trahit son secret, enfourcha son dada, secoua sa marotte. Chacun frappa sur sa poche et caressa bruyamment les espérances certaines, le bonheur clair et liquide qu'il avait embourse le matin. L'or mêlait sa petite voix aigüe à ce concert de passions vulgaires~; et le cliquetis des pièces de vingt francs, plus capiteux que la fumée du vin ou l'odeur de la poudre, enivrait ces pauvres cervelles et accélérât le battement de ces cœurs grossiers.
