

Ambers Aglow: An Anthology of Contemporary Polish Womens Poetry

Poetry. Translated from the Polish by Regina Grol. The most expansive anthology of its kind, AMBERS AGLOW features the work of 30 of Polands most influential and talented female poets, including Nobel Prize winner Wislawa Szymborska. AMBERS AGLOW gives a vivid portrait of Polands political and cultural world--before, during and after the fall of Communism. This poignant and powerful collection offers the reader an opportunity to experience the joys, sorrows and humanity of these gifted writers. Featuring the original Polish poems alongside English translations by Regina Grol, this is the seminal collection of an underappreciated body of work.
