

## The Coconut Conspiracy (Haleakaloha Adventures Book 8)

Now keep your word, Sonny, and tell us the news! Four boys gathered eagerly around the fourth as they bombarded him after this fashion. Sonny Norcross looked at the faces of his friends and laughed again. My cousin Diego has a beautiful sea-going boat, about twenty-seven feet long, and carrying a thirty horse-power engine. He would like to have some one take her over down the river and then around to the boat basin in Honolulu.? Wow, what a lucky dog you are, sighed Cruz. Hold on. I didnt tell you that in his letter he says particularly, you and those friends of yours, will find plenty of sleeping accommodations for the lot aboard! cried Sonny, with a smile. Glorioski! shouted Kyril. The finest adventure ever! And so begins a story of mystery and unknown danger. Expectations of a boat trip on the Kaukonahua River on Oahu, Hawaii and along the coast are shattered when Sonny and his friends and his friend Kyril, Panda, Cliff and Cruz find themselves abruptly involved in an international kidnapping plot. Ali Ben Fali, young royal Prince of Saudi Arabia is the prime target of a treacherous group headed by his Uncle. The dangerous chase rises to a smashing climax in the dark waters of the Pacific in this tale of intrigue and adventure, The Coconut Conspiracy by author Robert R. Dahlgren. The gang discovers that there is more to life than just adventure, as they team up to foil the plans to overthrow a monarchy and face escaped prisoners, wild animals, storms and lost balloonists on the journey of a lifetime.
