

Elderly Uprising

There comes a time in a lot of families, when after their loved ones can no longer take care of themselves, they have to decide what they will do with them. For the majority; putting them in a home is what they do. In this story, family members get paid back for putting their loved ones away when aliens or angels; you have to decide, come to their rescue. Residents then have to decide whether they let their family members continue to suffer or go back to being normal.
