

Day of Vindication

In Day of Vindication, the reader is swept up on a gripping journey into the all-too-realistic future, depicting tomorrows headlines before they happen a large American city is destroyed by fire, millions die as a result of the surprise attack. Soon after this evil act, the world is placed on alert with the threat of six more equally deadly explosions if the resurrected Muhammads demands arent met within seven days. Two elite counter-terrorism agents, Cassandra Army Armendorfer and her partner Raphael Guerra, lead a team of government specialists on a hectic chase across the United States to find the remaining bombs before their time runs out.
