

## Memoirs of Mrs. Olivia Foxworthy

All the while writing this little book I kept family and friends so close to my heart. Big things can come from small potatoes, and I grew up believing that anything is actually possible. Just because something hasnt been done yet doesnt mean it wont get done at all. For all who read this little book into someones opinion of their own life, I hope for laughter, tears, joy, and a distinct fondness for the appreciation of life, witnessing what the human spirit can endure. It is with great pride that I introduce Mrs. Olivia Foxworthy to the world. She is as dear to me now as any one can truly be.
