

Anthology of Manual Arts Verse (Classic Reprint)

Excerpt from Anthology of Manual Arts Verse Since lack of space forbids a complete collection of the work of the time covered, it is not to be assumed that verse omitted from this little volume is of lesser quality. It is hoped that the efforts of the Alumni Association in publishing this book will meet with a response that will justify a larger and more comprehensive collection in the near future. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.
