

Catty KT: KT meets MT (Volume 1)

The real is a dream, the dream real? Fed on a daily dose of love, fairy tales and cartoons, five year old Kajal Tirri lives in the world of make believe. But as she grows, this world is overshadowed by grief. She is tormented by her step mother and kept without food for days on end, until one day she decides to fill the void in her tummy and her heart by hook or by crook. Kajal soon grows to become fat and is taunted and teased in school. She has no friends, except for Muttoo, the cloud who helps turn her life around. Catty KT is the story of Kajal Tirris dreams, her complexities, her adventures, her love and her faith. Each book in the Catty KT series, takes KT on a new adventure bringing about a gradual transformation in her complex persona. From the world of nod to the world of make believe, from India to Morocco, Africa, Birmingham, Japan America, and many other cities of the world, Catty KT has it all.
