

A Place of Birds

A well paced tale lucid, effortless style with plenty of atmospheric period detail. - Historical Novel Society Review
Nineteen-year-old Susanna Elliot rebels against her strict Quaker background which alienates her from her family and community. Rejected by the doctor she admires and is refused permission to take her dead brothers place in the family business, she flees to join her two cousins on their mission to China. All three leave Falmouth for Shanghai aboard a schooner owned by Lowell Hawke. Hawkes daring exploits have made him a legend along the China coast and Susanna finds herself involved in terrible danger and love...
