

Diamonds and Silver: success isnt a secret ... anymore

DIAMONDS SHINE like nothing else, as bright and mysterious as the stars in the sky. Forged deep beneath the Earth's surface, these pure, hard stones are prized for their unique properties and treasured as precious gems. No material could possibly hold more value-or could it? Young friends Milo and Asher set out to find a hidden treasure said to contain both diamonds and silver. They end up learning much more about themselves, including what lays hidden deep within. Join them in their classic quest as they discover how preconceptions can be misleading-and what ultimately makes for a life filled with success. Through this timeless tale of adversity, author Kevin Ahtzener reveals ten simple yet profound, practical lessons that will help you: - CHANGE your perceptions-about yourself, about others, and about what is possible. - LEARN what separates the truly successful from other people with untapped potential. - BECOME more productive, get promoted faster, and have a better future, on your own terms. The time-tested steps revealed in this story will help you find your own treasure within and manufacture your own success. Invest in yourself today!
