

Not in These Shoes

Samantha Wynne-Rhydderch's debut collection introduces a young poet with a remarkable range of imaginative tactics at her disposal, and seems to announce not one, but several new voices. *Not In These Shoes* is an act of uncanny ventriloquism, and a distinct spirit haunts each of Wynne-Rhydderch's meticulously drawn spaces. Whether conjuring the interior of a toy snowstorm, a flooded valley, a woman in a backless dress, a ship's figurehead or a matador in a hotel room, Wynne-Rhydderch finds a voice that perfectly commands attention.
