

Between the Cracks: An Adventure/Thriller

A rusted derelict vessel has run aground in an isolated bay on Isla Socorro. Aboard a lone man is near death. At a curiously propitious moment, Rolf, an Irish wolfhound, discovers the wreck and races back to the Socorro Resort to alert his owners. Concerned they rush out and rescue the stranger and nurse him back to health. The good-deed, however, quickly devolves as they are drawn into far-reaching intrigues more challenging than they could ever imagine. The man they saved is an overlord for the Danish corporation Danetics; a global genetics lab exploiting innocent people with a miracle drug that they want the hideous side-effects of kept secret. BETWEEN THE CRACKS explores the devastating nature of deception; those who are deceived, and those who overcome.
