CJ Zaruba is a young surfer living in an island paradise. Everything changes the day the lone stranger arrives, spouting tales of adventure on the high seas. When the stranger mysteriously dies, a treasure map is found among his belongings and CJ and his friends mount an expedition on the Wave Hunter to search for it. Little do they realize that they've become entangled with a band of modern-day pirates who will stop at nothing to possess the treasure. The leader of the pirates is the charismatic but deadly Nat Murphy, who treats CJ like a son, and nearly charms him onto the side of evil. For CJ, it will take all of his courage and determination just to survive.
