

The Art of War for Executives

Here at last is a clear, easy-to-follow interpretation of the classic Chinese text The Art of War by Sun Tzu which incorporates modern business lessons to make this relevant and accessible to today's executive facing strategic and competitive challenges. For years, business schools and professional consultants have turned to Sun Tzu's 2,500-year-old Chinese text for its invaluable commentary on such topics as leadership, strategy, organisation, competition, and cooperation. Now the wisdom of Sun Tzu's The Art of War is made accessible to the modern audience. Not simply a new translation, this is the first book to provide a clear, easy-to-follow interpretation of the classic document. The Art of War for Executives reveals the brilliance of Sun Tzu and shows how to win on the battlefield of modern business.
