

The Penguin Complete Jane Austen

Sense and Sensibility Pride and Prejudice
Mansfield Park Emma Northanger
Abbey Persuasion Lady Susan Few
novelists have conveyed the subtleties and
nuances of their own social milieu with the
wit and insight of Jane Austen. Through
her vivacious and spirited heroines and
their circle, she paints vivid portraits of
English middle-class life as the eighteenth
century came to a close. Each of the novels
is a love story and a story about marriage -
marriage for love, for financial security, for
social status. But they are not mere
romances; ironic, comic and wise, they are
masterly studies of the society Jane Austen
observed. The seven novels in this volume
contain some of the most brilliant, dazzling
prose in the English language.
