The Others Mistakes manuscript having been sent for publication during the fall into winter holiday season of 2010 for January 2011 publication - the story begun actually during the Indian summer and beginning to take place in late fall of 2025 - continues in this spring into summer 2027 adventure. This time not through emails across twenty year spans of time, but now between physical distances... From Canada, back at The Estuary Estate, and heading south on a mystery tour the bizarre bazaar of ideas continues.
