[Siren Allure: Erotic Alternative Sci-Fi Consensual BDSM Romance, F/F, whipping, sex toys, HEA] Looking to buy a slave? Looking to sell one? Come to the place where sex slaves are traded and purchased without fear of the law. We have men, women, and mutants available. There are shops with all the latest toys and devices for your property. Come to the Central Hub, a place of Darkness and Desire. Bethany is on a mission to the Central Hub. She must save her sister, who is kidnapped by slavers. However, there's a problem, two actually. One is Clarin, the woman who's going to break her into submission so they can get into the hub. The slave training is making her body hyperaware of the feelings she's having for Clarin. The second is searching the huge spaceport filled with depraved and delicious masters while trying to pass for a submissive herself. Can they find Bethany's sister before she's sold? \*\* A Siren Erotic Romance
