

All That She Wants

Francesca Tyler, flame-haired, thirty-four-year-old editor of a local paper, has a busy life filled with work, family and friends. But all that she wants is a baby. Every time she sees a buggy she feels like bursting into tears. But a baby needs a father and there is no candidate for life, love and fatherhood on Francescas horizon. **ALL THAT SHE WANTS** is a wonderfully fresh, fast-paced novel about love, fertility and fatherhood.
