

Buckskin Mose: Or Life From the Lakes to the Pacific, as Actor, Circus-Rider, Detective, Ranger, Gold-Digger, Indian Scout, and Guide (Classic Reprint)

Excerpt from Buckskin Mose: Or Life From the Lakes to the Pacific, as Actor, Circus-Rider, Detective, Ranger, Gold-Digger, Indian Scout, and Guide As a young author, although scarcely what the world would consider a young man, I should scarcely feel inclined to say a word in presenting this volume to it, were it not that I wish the public to comprehend one of the two reasons which have induced me to write it. As it would be idle, even for a man of decided literary genius, to deny that pecuniary profit is, in most instances, the incentive to the exercise of his power, so, in a humbler fashion (for I consider myself a man of no genius), I will scarcely affirm that I do not look with a degree of longing on the possible success of my first effort. Let me, however, frankly say that I have another and a stronger reason for writing this work. While hoping that I have not thrust this into undue prominence, as I have, in every case, made it secondary to the facts which are detailed, it is my wish to demonstrate to the public of the United States, that the manner in which the Government protects the settler is neither good for him nor for the Indian. It must equally fail in satisfying its children and its vassals. At times, it leaves the first totally unprotected. When they grow accustomed to the habit of self-protection, it not infrequently represses the sturdy independence thus begotten, instead of guiding it by the ability, wisdom, and honesty of its appointed officials. In like manner, it has no settled course of policy with the latter. At one time it bribes, and at another, it lashes them into subjection. Perhaps, the settler is not entirely elevated in character, nor the Indian thoroughly debased. But this wavering and uncertain line of policy cannot do otherwise than lower the nature of the first, while it certainly cannot raise that of the last. That one considers his Government as weak and capricious, while

this one believes it to be both tyrannical and asinine. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
