

# Un Um Bu Ga

Galactic Fleet Marine Bob Venkovitz and Starship Captain Jane crash into each other at her company and get stuck on a mission together. They begin by getting shot out of space by the Dark Lords and crash on Planet Ryuku. There they confront comical misadventures with corrupt politicians, criminal gangs, the three mysterious controllers (wizards?) on a tropical island, and giant mech battles. They team up with two other people from their home planet and plot their escape, or do they? Bob and Jane get stuck in a battle between the Dark Lords and Warlord Humongous! They fight through big space battles, fleet of space ships, Warlord Humongous vs. the Dark Lords vs. a galactic fleet marine in action. What else could go wrong? One of their group announces to the world, I am the High Priestess of Un Um Bu Ga! Suddenly, Un Um Bu Ga, the 50 foot tall war god of the planet shows up!
