

A Long Drop to Eternity

Jack Falon is a figurehead, no longer the president of the corporation he built. He has lost his lucrative restaurant business and is recovering from the wounds he received at the hands of his Mafia tormentors. He emerges from the hospital stranded and alone, abandoned by his wife for the violent turn his life has taken. With nowhere to go, he establishes a residence with his late brother's common-law wife and settles in to let himself heal. But the sexual current radiating from his dead brother's consort complicates the relationship. Jack becomes torn between yielding states evidence under the unflinching pressure of an ambitious cop and heeding the threats of a ruthlessly corrupt member of the Chicago police force. He is dragged back into the brutal underworld that he formerly inhabited and becomes entangled with the leader of a vicious street gang. He finds himself unable to keep his woman and her children from sitting in the crosshairs of the Mob, gangbangers and the corrupt police. A Long Drop to Eternity is the second after Into an Unseen Distance in the exciting Jack Falon franchise. A Man Is What He Hides is the third in the series.
