

## Calbert: The Third-Grade Cowboy: Facing the Bully

What would you do if the boy you bullied, day in and day out, would ultimately decide if you live or die? Calbert must find a way to face down the school bully. Ernie makes life unbearable for Calbert in many ways, but he especially enjoys picking on Calbert for being adopted. Roland, Calbert's trusted friend, tries to help Calbert in dealing with Ernie. When Calbert and Ernie are trapped together in a fire, they must find a way to work together to escape with their lives. Will Calbert and Ernie be able to put aside their differences, in order to survive?
