

Outlines of a Mechanical Theory of Storms, Containing the True Law of Lunar Influence; With Practical Instructions to the Navigator, to Enable Him App (Paperback) - Common

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfecti...
