

## Demon (Fallen)

Hes a devil of an angel. Shes an angel of a demon. Angels and demons dont mix. Azazel should have extinguished the deadly Lilith when he had the chance. Now, faced with a prophecy that will force him to betray the memory of his one true love and wed the Demon Queen, he cannot end her life until she leads him to Lucifer. Finding the First is the Fallens only hope for protecting mankind from Uriels destruction, but Azazel knows that ignoring his simmering desire for the Lilith will be almost as impossible. Rachel Fitzpatrick wonders how Azazel could confuse her with an evil seductress. Shes never even been interested in sex! At least not before she set eyes on her breathtaking captor. And now she cant think about anything else-besides escape. Rachel stirs a carnal need in Azazel that he never thought hed feel again. Falling for a demon-even if she has no idea shes the Lilith-means surrendering his very soul. But if he lets her go, he risks abandoning his heart, his dangerous lover, and possibly all of humanity, to Uriels deadly wrath.
