

D. H. Lawrence: The Poet Who Was Not Wrong (Milford Series,)

Although D. H. Lawrence is justly celebrated as the author of such seminal novels as *The Rainbow*, *Sons and Lovers*, *Women in Love*, *The Plumed Serpent*, and *Lady Chatterleys Lover*, he also produced a considerable body of poetry, collected together in a thousand-page volume in 1928. The overall quality of the writers verse is superb. It is permeated with the Lawrencean voice, the incandescent language, the recurrent symbology, the sense of wonder at nature, the subtle portrayals of human relationships, and the metaphysical thrust. Mackey provides the first lengthy examination of Lawrences poems. Complete with Chronology, Bibliography, and Index.
