

## Rise of America: Silverwings Adventure

A girl came down from the trees. How? It looks like, no, I'm hallucinating. She landed on the ground. Maybe not. Wow. She was pretty in a weird way. Black, perfectly straight, layered hair with some side bangs covering her vibrant blue eyes. Wow. She was so perfectly thin and just perfect. Every detail in her figure was like I was standing by a supermodel that lowers people's self-esteem. Wow. I figured she was gothic or something because of her all black wardrobe with a punk-rock band printed on her t-shirt. She was just...wow. It's a dream. Rose! It was Skyler. I was still kind of dazed after seeing Zoe come down from the trees. Whaah yah awkward. Skyler said, Rose you might want to sit down for this in a slightly shocking way.

We walked over to the picnic tables and sat down. Sooo I was confused, what could I say? Rose you're in danger. From what, my parents cause when I get home that'll probably be it. Yeah! That super-cool-strength I knew I had was finally kicking in. You're not going home. It was Zoe, huh, her voice was softer than I thought, but very stern. You're not going home. She repeated. Confusing much? Whaaaa?
