

A Ticket To Malta

Malta, a small island offering tourists the benefit of brilliant sunshine, blue skies and a clear, azure Mediterranean sea, has suffered more than its fair share of strife in the past. Now its friendly, welcoming people are having to cope with the problems brought about by a tide of illegal immigrants landing on their rocky shores. For two particular families, life gets more complicated when the past comes back to haunt them: a past that some people would prefer to forget. Innocent tourists become involved. But are they so innocent? What really happened in the past?
