

Choices (The Guardian Book 2)

Faced with too many difficult choices throughout life, Adela and John are no strangers to adversity. Adela, now forced to think of her coven, still holds a burning desire for her great, great nieces Guardian, John. Torn between allegiance to her niece and her own feelings, Adela struggles to let go of John as she searches for a secret journeythe Guardian Journalto protect those she loves from the haunting dangers that lurk in the shadows. John is dedicated to the woman fate has bound to him, but finds himself magnetically pulled toward Adela, who he believes may be tempting him with her powers. With a strong desire to protect Gala, but a deep hunger for Adela, he is ultimately faced with a choice that will change everything. Follow this gripping tale of Adela and John as they travel unknown paths in this unforgettable and riveting tale of fate, love, and choice.
