

Fallen from Grace: No restriction can save us

Tatum Grace lives in a city where the governor has decided that when things are different, they are bad. They are dangerous. So, machines make people. Occasionally, however, the machines give the people knowledge they aren't supposed to have. When Tatum finds out she has that knowledge, that knowledge of something Antwon Collins- the ruler- has been keeping a secret, will she be able to hide it, or will the government find her and kill her?
