

Connor Clover and the Slaves of Dramian (Starstone Trilogy Book 2)

Connor Clover is no ordinary twelve-year-old. He is host to an alien starstone with amazing powers. Lately, Connor has been taking extra lessons at a secret establishment known as the AAA (Alien Agents Alliance) in a bid to control the powers for himself in order to help others. It has been three months since Connors first ordeal with the Starstone. The council at the AAA has to deal with two major issues - the forthcoming war declared by Definastine and two missing AAA members who, since being betrayed, were last seen on Dramian. Join with Connor as he finds himself involved in a battle to fight against evil and help free hundreds of star-spirits.
