

Mi Cancion Social (Spanish Edition)

En Mi Cancion Social, el autor nos expone en verso libre, creativo, profundo y en lenguaje sencillo, una compilacion de historias y personajes afectados por los diversos problemas sociales que enfrentan diariamente nuestras comunidades. Es un intento de exponer la cruda realidad que vemos en nuestro diario vivir con el proposito de crear conciencia sobre estos problemas sociales, no solo en quienes se exponen continuamente a sus efectos, sino en los nucleos familiares y gobiernos que tienen la responsabilidad de educar, prevenir y atacar el deterioro social en aumento. El presente libro constituye una aproximacion contemporanea y abierta a los temas sociales vista desde una perspectiva critica. El autor establece una comunicacion directa con el lenguaje y percepcion de las nuevas generaciones. La obra plantea un discurso que permite insertarse en la mente de los jovenes y se convierte en una alternativa didacticas para estos. Sin duda alguna lo recomiendo para estudio, analisis y discusion por estudiantes de escuela superior y universitario. Es material para comunicacion familiar, ya que abre un dialogo entre las diferentes generaciones. Dr. Luis M. Sanchez Caso Psicologo Clinico Encuentro la obra muy interesante y valiosa ante los mensajes que la juventud puede adquirir de la misma. Si bien el lenguaje nos puede chocar, representa un contragolpe a lo que nuestros jovenes estan escuchando por los medios radiales y televisados y debe penetrar con mas efectividad. Por primera vez tenemos algo con que contrarrestar al mensaje negativo. M. Gomez Disdier, MD Director de Pediatria Hospital San Jorge
